M045-301 | HUMMBLE SLIM HUMMINGBIRD FEEDER

The Hummable Slim Hummingbird Feeder is the perfect way to transform your outdoor garden into a hummingbird paradise. This popular and eco-friendly feeder has a 3.4 oz nectar capacity and a lid with 4 feeding ports, providing your favorite hummingbirds with easy access to clean food. Simply hang your feeder using the easy to use open top hook, lift the detachable lid to pour your nectar, and enjoy as your garden fills with happy and healthy hummingbirds. Attach multiple feeders vertically to let even more birds join in on the fun! As hummingbirds migrate seasonally, pack away the lid and replace the nectar with mealworms, seeds, or jelly to attract other songbirds such as bluebirds, orioles, or juncos. With a charming and functional design, the Hummable Slim Hummingbird Feeder is sure to attract all of your favorite flying friends. Makes a perfect gift for any gardener or bird enthusiast! Hand wash only.

FEATURES & BENEFITS

- 1/2 Cup Volume - Allows for simple nectar filling and replacement, keeping your birds safe and healthy
- Simple Attach Design - Capable of hanging one bird feeder by itself or attaching multiple feeders vertically
- Detachable Glass Lid - Provides 4 feeding ports allowing multiple birds to feed at once
- Eco-Friendly Design And Construction - Environmentally conscious design ensures the durability of the feeder and the safety of the birds
- Leakproof Dish - Capable of holding water, nectar, mealworms, seeds, suet nuggets, jelly, fruit and other food to attract a greater variety of songbirds when hummingbirds migrate away seasonally
- Product Measurements: 6" L x 4" W x 7.25" H
- Beautiful Packaging - Gift boxed to create a beautiful and memorable gift for any gardener, bird watcher, or nature lover

M047-200 | HUMMBLE BOLD BIRD FEEDER

Keep your birds healthy, happy, and close to home with the Hummable Bold Bird Feeder. With a 3.4 oz capacity bowl and a 3" opening, bluebirds, orioles, juncos, or any other songbird can dine in luxury and style. This feeder is created with recycled glass and powder-coated metal, ensuring a durable, one-of-a-kind feeder that is here to stay. Relax and enjoy watching your birds as they use the outer ring perch for resting between feedings. This feeder can be filled with a variety of bird food such as mealworms, jelly, flower seeds, suet nuggets, or fruit to attract different kinds of birds. Hand wash only.

FEATURES & BENEFITS

- 1/2 Cup Volume - Allows for simple food replacement and diet variation, keeping your birds safe and healthy
- Leakproof Dish - Capable of holding water, mealworms, seeds, suet nuggets, jelly, fruit and other food to attract a greater variety of songbirds

M349-200 | DAISY BIRD BATH & FEEDER

The Daisy Glass & Metal Hanging Bird Bath is an experience your birds will have to see to believe. This eco-friendly design will transform your garden into a beautiful oasis with the sleek and intelligent flared petal design, which also includes flower petal perching points for multiple birds to join in on the fun. The detachable glass bowl creates the perfect setting for birds to drink and splash in this uniquely designed bird bath. Use a small amount of rocks and water to attract both birds and butterflies. Apply the easy to use hook and watch as your garden becomes the go-to destination for all your neighborhood songbirds.

FEATURES & BENEFITS

- Ample Volume - Large enough to support multiple birds at once
- Simple Attach Design - Provides a simple and effective way to hang your feeder
- Flower Glass Bowl - Flower petals act as perching points to allow multiple songbirds to rest at once for a prolonged viewing experience
- Alternate Usage - Add seeds, mealworms, jelly, or suet pellets into the detachable glass bowl to feed a variety of songbirds
- Eco-Friendly Design And Construction - Environmentally conscious design ensures the durability of the feeder and the safety of the birds
- Product Measurements: 12" L x 12" W x 19" H

M380-200 | BAFFLE DOME BIRD FEEDER

This glass bird feeder with a weather baffle dome will be irresistible to bluebirds, orioles, juncos, or any other bird that loves to eat in style. Large enough to feed multiple birds at once, this feeder is perfect for handling mealworms, flower seeds, fruit, or any food you want to serve. With a weather baffle dome protecting the feeder dish, moisture from rain will be kept at bay. The feeder also offers a water drainage system that keeps your birds' food fresh, keeping your songbirds happy and healthy. Installation is as simple as using a hook, and cleaning is as simple as soap and water. Give your birds an experience they won't want to leave. Hand wash only.

FEATURES & BENEFITS

- Ample Fill Volume - Plenty of space for multiple birds to enjoy at once
- Drainage - Drains water to prevent pooling, ensuring seeds and mealworms stay fresh longer
- Weather Baffle - Large glass covering that protects both the birds and their food from environmental conditions
- Easy To Maintain Design - Ensure the health and safety of the birds with simple hand cleaning techniques
- Eco-Friendly Design and Construction - Environmentally conscious composition for a safer and sturdier bird feeder
- Product Measurements: 15" L x 15" W x 10" H
- Gift Boxed: Packaged in a decorative gift box
- Care Instructions - Hand Wash Only

M385-200 | DOUBLE HANGING POPPY FEEDER

The Double Hanging Poppy Feeder's original and versatile design makes it a truly unique product. The decorative feeder offers two distinctive options for use. First, secure both dishes facing up to act as a double feeder and pair with a weather dome or baffle to protect the contents inside. Or, reverse the top dish and transform it into a domed baffle to protect your tiny visitors from the elements. Accent your garden by displaying these feeders in different colors and offer your birds a variety of food options including seeds, suet, peanuts, mealworms, fruit, jelly, and more. The sturdy metal rod with top hook allows for easy placement near your favorite viewing area.

FEATURES & BENEFITS

- Recycled Glass & Powder-Coated Metal Construction - Makes for an eco-friendly and long lasting feeder
- Sturdy Metal Rod With Hook - Allows for easy attachment
- Easy To Maintain Design - Supports quick hand cleaning to prevent bacteria and seed rot
- Silicone Washers And Galvanized Screws (Included) - Keeps glass protected from metal
- Gift Boxed - Packaged in decorative gift box
- Leak-Proof Design - A rubber washer surrounds the glass dish and metal rod, creating a leak-proof feeder ideal for use as a waterer during summer months.
- Accessory: Pair with Mosaic Birds® Weather Guard/Baffle (Sold Separately)
- Care Instructions - Hand Wash Only

M391-200 | 360 DEGREE SEED CYLINDER FEEDER

Feeding birds has never been so safe or easy! Using an intelligent and eco-friendly design made of metal and recycled glass, this seed cylinder feeder will attract all types of songbirds. The domed design protects birds from the elements while they eat. Simply insert the seed cylinder you wish to use, attach it to the metal carrier with an easy to use hook, and watch as Wrens, Goldfinches, Chickadees, Cardinals or other songbirds enjoy their food in comfort and luxury. Hand-Wash Only.

FEATURES & BENEFITS

- Glass Weather Dome - 15" glass awning deflects water and debris away from the birds and their dish
- Detachable Metal Holder - Easily slide the seed cylinder over the metal rod for simple installation and maintenance
- Size Compatibility - Works with two sizes of seed cylinders: the 4lb cylinder (7 3/4" tall x 6" diameter) or the 1.75lb cylinder (7 3/4" tall x 4" diameter)
- Drainage - Subtle rubber gasket inserted between the metal and the glass allows drainage keeping the seeds fresh up to the last day
- Waste Prevention - Cylinder feeders allow birds to pick the food they like, limiting the amount of food spilled or wasted
- Recycled Glass - Environmentally friendly design composed of recycled glass
- Product Measurements: 15" L x 15" W x 13.75" H
- Gift Boxed: Packaged in a decorative gift box

M429-200 | CUBAN STAKE BIRD BATH

Enjoy watching birds of all types play while bathing themselves in this Cuban Bird Bath made of metal and recycled glass. Display this design with small rocks and water to attract and allow smaller birds and butterflies to land close to the water, adding a splash of color and whimsy to any garden. The Cuban bowl can also be used as a platform feeder to hold seeds, fruit, jelly, and more to attract your favorite songbirds. Adjustable Spike can be used at 3 varying heights- 15.5", 26.25", and 37".

FEATURES & BENEFITS

- Detachable Glass Bowl - Supports quick and easy cleaning and filling
- Recycled Glass & Powder-Coated Metal Construction - Makes for an eco-friendly and long lasting feeder
- 20oz Capacity - Accommodates several birds at once
- Adjustable Metal Stake - Allows for 3 varying heights to accommodate different feeding styles.
- Clean and Simple Design - Perfect for smaller spaces like flower pots or planters.
- Product Measurements- 7" L x 7" W x 37" H
- Gift Boxed - Packaged in a decorative gift box
- Care Instructions - Hand Wash Only

M432-200 | SIDE BY SIDE POPPY FEEDER

The Mosaic Birds® Side by Side Poppy Feeder with Perch allows songbirds to perch side by side while sampling treats from the two feeder bowls while other curious visitors enjoy the lower level perch to rest and enjoy the surroundings. The powder-coated metal is constructed to withstand the elements yet bring a streamlined contemporary look to this unique design. At 1 1/2" high, the detachable dishes are a compact yet suitable height for providing a feast of delectable mealworms for insect loving birds such as Bluebirds, Chickadees, Woodpeckers, Robins, Titmice, and Wrens. Berries, sunflower hearts, softened fruits, peanuts, suet crumbles, and even pieces of cornmeal muffin are good sources of additional protein and fuel whether your friends have come from miles away or are just zipping around your garden. Included are two sets of washers: One provides drainage of water to keep seeds and other foods fresh and free of decay. The other locks in liquids, creating a tight seal when offering water or high energy snacks such as grape jelly.

FEATURES & BENEFITS

- Product Measurements - 13.78" L x 4.72" W x 13.39" H
- Capacity - 1402 ml / 4.72 oz
- 2 Sets of Washers (Included) - Offer use options for allowing drainage or providing a plug
- Easy To Maintain Design - Supports quick hand cleaning to prevent bacteria and seed rot
- Recycled Glass & Powder-Coated Metal Construction - Makes for an eco-friendly and long lasting feeder
- Open Top Hook - Allows for easy hanging from above
- Care Instructions - Hand Wash Only

M447-301 | COTTAGE HUMMINGBIRD FEEDER

The Cottage Hummingbird Feeder is a uniquely designed feeder in vibrant colors that are sure to attract your favorite feathered friends. The domed roof provides shelter while the 4 feeding ports allow the opportunity for multiple hummingbirds to feed at once. The landing around the feeder will allow birds to perch while the removable lid provides easy daily filling and cleaning of the feeder. Consider placing multiple colors together on a fence or post to create a colorful assortment. During the winter, store away the hummingbird lid and you'll have a feeder without drainage-perfect as a mealworm, jelly, or suet pellet container. It's sure to attract many song birds such as Blue Birds, Orioles, Juncos, and many more depending on your location and season. Arrives gift boxed and ready for giving. Hand-wash only.

FEATURES & BENEFITS

- 3.4 Ounce Nectar Capacity and 4 Feeding Ports-Accommodates a charm of hummers
- Easy Mount Design-Allows for easy mounting on fence or post
- Interior Perch Space-Provides resting spot for birds and longer viewing enjoyment
- Detachable Glass Lid and Nectar Bowl- Supports quick and easy hand cleaning
- Attractively Gift Boxed-Makes for easy gifting to birders, nature lovers and gardeners
- Recycled Glass & Powder-Coated Metal Construction-Makes for an eco-friendly and longer lasting feeder
- Product Measurements: 6" L x 6" W x 6" H
- Products are painted and baked with lead free paint.
- Care Instructions - Hand Wash Only
